NARRATIVE:

Moxin has an extensive adult criminal history that began at the age of 18. His convictions include battery with serious bodily injury, burglary, grand theft from person, battery of spouse/date, and credit card fraud. He has served multiple state prison terms the longest a four (4) year term for grand theft from person. Moxin was released from state prison to the supervision of the Los Angeles County Probation Department on April 11th, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2014 after he absconded from post release community supervision (PRCS). Moxin qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for grand theft from person is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as a gang member and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
